## **SITE INFO:**

We are VERY fortunate to have use of Indoor Action Soccer dome in Greenfield, MA, for this trial and want to be sure and *follow all rules* of the facility so we will continue to be invited back for more agility trials in the future.

- 1) The facility will not open until 7am each day
- 2) There is plenty of parking, but please heed any parking directives
- 3) **IMPORTANT:** There are 2 ways to enter – through the lounge which gives access to the building through a revolving door **OR** through the airlock door (garage sized doors) on the East side of building which will be run by an IAS staff person all day. The air lock door is best for larger dogs as well as carrying in crates, chairs and other gear. You and dog walk through exterior door which is closed before interior door is opened for direct access to dome. You may need to wait a few minutes to use this door but it is necessary to keep the building pressurized. **Do NOT use any of the emergency exit doors.**
- 4) There is plenty of crating in the dome – Please bring a tarp to put under your crate if you can
- 5) There is no spitting allowed (we will have spitting police), no food and no drinks other than water allowed in the dome. Food and drinks allowed in lounge area
- 6) An IAS staff person will be on hand ALL DAY to run the air lock entry and exit and to answer any questions about the facility. Please be patient and kind to the staff.
- 7) CLEAN UP is a must. You will be dismissed from the site if you do not pick up after your dog.
- 8) Dogs must be leashed at all times when not competing
- 9) NO SMOKING in the building
